STRENGTHS

📖 Eager to learn new skills
As a person who is starting out, I am constantly seeking for new ways to grow and expand my skill set.

📈 Not afraid of failure
Strong believer in the mantra that we learn from our mistakes.

🕐 Time management
I always set aside time to plan my week and distribute the workload by days so that I can simultaneously meet deadlines and maintain my well-being.

PROJECTS

Blog Site

- This blogging application features a RESTful API server built with Nodejs and Expressjs.
- The data is retrieved from the API server and displayed on a user-friendly interface designed using React, Redux, and styled-components for a seamless experience.

Ecommerce [MERN Stack]

- This ecommerce website utilizes a REST API built with Nodejs and Expressjs,
- The user interface is designed for efficient product management and includes a complete purchase process using React
- The admin panel, accessible for CRUD on users and products, includes a chart for statistics display.
